# Discover your Expression

Uniqueness matters and as a school, we encourage all pupils to explore their passions and potential; preparing them to be adaptable in an ever-changing world. Our bespoke approach empowers pupils to be fully involved in their education increasing their chances of success and enabling them to realise their potential and fulfil their dreams. We are determined that pupils should choose subjects that inspire them - subjects in which they are emotionally immersed.

## Engagement and Guidance Programmes for Parents

As a parent, it's vital that you take initiative to play an active role in your child's involvement and growth in SJS. We promote and actively encourage parents to engage with their child's ability to learn and lead their lives as per their individual potentials. SJS is the first school to introduce a parental engagement and guidance Programme.

Every parent is as unique as their child or children!

Involving and engaging active participation of parents regardless of their profession, religion, culture, language, or nationality can uplift and strengthen the bond of student-teacher-parent and school. Parents can contribute via seminars, workshops, visits, chat shows, practical learning in any field or topic.

# Curator

## Our Teachers are from ALL OVER INDIA!

We place paramount importance on selection of teachers with best ability, potential, and proven experience record. We realize that teachers are a benchmark for the success of a school. Our selection procedure is therefore elaborate and well-researched. We closely monitor the work of our teachers and review their performance regularly through teacher appraisals to assess their knowledge and skills; their attitude and behaviour in the classroom as well as in the community. All staff members of the school take part in a Continuous Professional Development Programme and adequate resources are allocated to develop their skills.
